

DARLEAN SCOTT

Female DOB: 06/12/1964

144349

Ins: Medicare Southern Region

10/24/2018 - Office Visit

Provider: Mukesh Misra MD

Location of Care: Antelope Valley Neuroscience Medical Group

History of Present Illness:

I saw DARLEAN SCOTT in the office today for a followup consultation. She is a 54 year old woman with the complaint of low back pain. bilateral buttock pain. right leg pain. Patient is for fu for her on going back issues. She tells me her pain meds requirement remains the same. Pain was better after she got steroid block sometime ago. She will want to get repeat lumbar block. No new issues. Plan lumabr facet block following auth and clearance. Plan and risk/benefits dw patient.
